Dear Sir:

The Notice Regarding Drawings dated December 28, 2004 objected to Figs. 1-3 on the basis that they contained improper shading and poor figure legends. Submitted herewith are two formal drawing sheets with revised Figs. 1-3, omitting improper shading and containing clear figure legends. It is requested that the attached drawing sheets be substituted for the previous drawing sheets of Figs. 1-3. It is believed that the attached drawing sheets do not involve any introduction of new matter, whereby entry is believed to be in order and is respectfully requested.

Respectfully submitted,

*Holly D. Kozlowski*
